

# Stratocaster

11-Hole Standard Screw Pattern  
'63-Present

1" X 1"

PDF Template

11"X17" paper (Tabloid)  
Print to actual size (check reference box)

Fits most American-made Fender Stratocasters.

Please check screw pattern, pickups,  
and controls for compatibility with your model;

Contact us for custom layout of controls or pickups.

Please verify fit for import Strats and Strat-style guitars.
